

Coming soon, **ENETS 2018 available on VivindaTV**

Barcelona, Spain
7th–9th March 2018

Novartis Oncology is committed to providing medical education and the latest scientific information to Healthcare Professionals (HCPs). As a part of this commitment, **Novartis Oncology** will be offering HCPs the opportunity to virtually access the 2018 scientific program of the 15th European Neuroendocrine Tumor Society Annual Conference (ENETS 2018), taking place in Barcelona, Spain, 7th–9th March 2018. Novartis will provide virtual access to the ENETS 2018 congress via VivindaTV, a Novartis educational website.

The virtual access will include online, on-demand viewing of oral presentations and educational sessions presented during the ENETS 2018 congress that are made electronically available by the congress organisers*.

**Registration for European
countries opens on 7th February
and closes on 11th March 2018.**

You can register on www.vivindatv.com

VIVINDA TV

VivindaTV is brought to you by Novartis and intended for healthcare professionals in participating countries.

*Some presentations/sessions may not be available as permission was not granted by all speakers.
