## Gain recognition of your endocrine expertise

Ensure that your CV stands out when applying for clinical positions across Europe by sitting the [European Board Examination in Endocrinology, Diabetes and Metabolism](#) (EBEEDM).

The EBEEDM has been developed by [ESE](#) and the [European Union of Medical Specialists](#) (UEMS) and provides endocrinologists throughout Europe with international recognition of their clinical expertise.

### Apply for an Exam Grant

A limited number of [grants](#), providing a **50% discount** on the examination fee, are currently available to eligible ESE members. Grant applications must be received by **14 February 2021**.

[Apply for an Exam Grant](#)

### Prepare for the Examination

ESE has developed a 20-question [sample exam](#) to help candidates prepare for the EBEEDM.

[Take the sample Exam](#)

Applications to sit the EBEEDM will be open from **17 February** until **17 March 2021**, and the Examination will take place at independently operated assessment centres across Europe on **9 June 2021**. The Examination will cost **€750**.
